- * *INDUSTRIAL*
- * *AGRICULTURAL*

WITH IN-HOUSE SLITTING & LAMINATION SERVICES!

WHY BOPE FROM STOCKPKG FILMS?

EXCLUSIVITY

StockPKG is the exclusive North American sales and distribution partner of Polivouga, a provider of high quality films for over 40 years.

BRC Certified Packaging Materials.

SEALANT

Not as thermally stable as polyester, BOPE needs an engineered sealant to ensure fitness-for-use.

StockPKG provides specially engineered sealant web films to maximize machinability when BOPE is used in laminated structures.

VARIETY

- * Heat Sealable
- * Non-Heat Sealable
- * Metalized
- * Custom Orders
